These statutory conditions apply to the above perils and all other coverages and endorsements attached. To the extent that the Civil Code of the Province of Quebec is applicable here, the General Conditions and Provisions as set out in the Civil Code of the Province of Quebec apply.

MISREPRESENTATION

If a person applying for insurance falsely describes the property to the prejudice of the Insurer, or misrepresents or fraudulently omits to communicate any circumstance that is material to be made known to the Insurer in order to enable it to judge of the risk to be undertaken, the contract is void as to any property in relation to which the misrepresentation or omission is material.

CHANGE OF INTEREST

The Insurer is liable for loss or damage occurring after an authorized assignment under the Bankruptcy or Insolvency Act (Canada) or change of title by succession, by operation of law, or by death.

MATERIAL CHANGE

Any change material to the risk and within the control and knowledge of the Insured voids the contract as to the part affected thereby, unless the change is promptly notified in writing to the Insurer or their authorized representatives, and the Insurer when so notified may return the unearned portion, if any, of the premium paid and cancel the contract, or may notify the Insured in writing, by regular mail to last known address on file, that if they desire the contract to continue in force they must within fifteen days of receipt of the notice, pay to the Insurer an additional premium, and in default of such payment the contract is no longer in force and the Insurer shall return the unearned portion, if any, of the premium paid.

Where the contract is terminated by the Insurer:

The Insurer shall refund the excess of premium actually paid by the Insured over the pro rata premium for the expired time, but, in no event shall the pro rata premium for the expired time be deemed to be less than any minimum retained premium specified; and the refund shall accompany the notice unless the premium is subject to adjustment or determination as to amount, in which case the refund shall be made as soon as reasonably practicable.

Where this contract is terminated by the Insured:

The Insurer shall refund as soon as reasonably practicable, the excess of the premium actually paid by the Insured over the short rate premium for the expired time, but in no event shall the short rate premium for the expired time be deemed to be less than any minimum retained premium specified, including fees paid. The refund may be made by money, postal or express company money order, bank draft or cheque payable at par.

Once this contract is terminated, there shall be no further claims against it. This is a Claims Made Policy. Treatment being claimed for must occur while coverage is in force

EXAMINATION UNDER OATH

After a loss, which may be insured under this policy, you shall as often as we reasonably require:

- Submit to examinations under oath, and
- Produce or cause to produce in good faith employees, members of your household or others for examinations under oath to the extent it is within your power to do so.

FRAUD

Any fraud or wilfully false statement in a statutory declaration in relation to any of the above particulars vitiates the claim of the person making the declaration, and any such claim shall be null and void.

WHO MAY GIVE NOTICE AND PROOF

Notice of loss may be given and proof of loss may be made by the authorized agent or representative of the Insured named in the contract in case of absence or inability of the Insured to give the notice or make the proof, and absence or inability being satisfactorily accounted for, or in the like case, or if the Insured refuses to do so, by a person to whom any part of the insurance money is payable.

APPRAISAL

In the event of disagreement as to the value of the property Insured, the property saved or the amount of the loss, those questions shall be determined by appraisal as provided under the applicable provincial insurance legislation before there can be any recovery under this contract, whether the right to recover under the contract is disputed or not, and independently of all other questions. There shall be no right to an appraisal until specific demand therefore is made in writing and until after proof of loss has been delivered.

WHEN LOSS IS PAYABLE

The loss is payable within thirty days after completion of the proof of loss, unless the contract provides for a shorter period.
